

CAMPUS PLACEMENT DRIVE

Company: Mitsuba India Private Limited

Date: 23 September 2026

Participating Departments: Mechanical Engineering, Electrical and Electronics Engineering (EEE), Electronics and Communication Engineering (ECE), Computer Science and Engineering (CSE), and Artificial Intelligence and Data Science (AI & DS)

Total Candidates Selected: 32

A campus placement drive was conducted by **Mitsuba India Private Limited** at Sri Raaja Raajan College of Engineering & Technology on **23 September 2026** to provide employment opportunities for eligible students.

Students from the Mechanical Engineering, EEE, ECE, CSE, and AI & DS departments participated in the recruitment process. The placement drive provided students with an opportunity to demonstrate their technical knowledge, communication skills, problem-solving abilities, and professional competencies.

The recruitment process helped students gain valuable exposure to industry selection procedures and understand the expectations of prospective employers. The participation of multiple departments reflected the institution's commitment to providing career opportunities across various engineering disciplines.

A total of **32 candidates were selected** by Mitsuba India Private Limited through the campus recruitment drive. This achievement reflects the students' efforts and the institution's commitment to career development and placement support.

Outcome: The campus placement drive successfully facilitated employment opportunities for students, with 32 candidates selected by Mitsuba India Private Limited.
